Learn to Skate

Learn to Skate classes are held every Monday evening from 6.00pm to 7.00pm and Saturday mornings 10.00am to 11.00am. Students at the Saturday class are entitled to stay for the general session until 4pm at no extra charge. Adult Learn to Skate classes are held on Thursday evenings from 8.30pm to 9.30pm.

Classes are run by the Head Coach of the Peninsula Artistic Rollerskating Club, Simon Reeves, with the assistance of coach Alyce Atkins and the Club's current coaches-in-training.

These classes help to improve a skater's skills with levels ranging from Star 1 for beginners, through to Star 6 for the more advanced skater.

Artistic Skating

Peninsula Artistic Rollerskating Club (PARC) offers you the chance to join our Club, have private lessons with our qualified Coaches, compete in competitions and participate in our annual Christmas Show.

PRC also has three precision teams: *Fantasia* - the Clubs Junior team, *Insite* - the Club's Intermediate team and *Caliente* - our senior team. A skater may be invited to join one of these teams when their level of skill has reached the team's requirements.

Inline Hockey

Hockey Development is held every Wednesday from 7.00pm to 8.00pm. It's open to boys and girls of all ages and includes games, skill, drill and fun activities. Come along for free the first time.
